If you enjoy great beer, cider, spirits and wine, you’re in luck! There are over a dozen craft breweries, cideries, distilleries and wineries on our expanding Beverage Trail in the Sullivan Catskills.

You’ll find specialty brews for every palate. Try a Callicoon Brown Cow Porter at the Callicoon Brewery or Devil’s Path IPA from Catskill Brewery. How about a flight from Roscoe Beer Company? Sip on a 3 Dog East Coast IPA at the Shrewd Fox Brewery. Or settle in with the Russian Mule Stout, a rich chocolate-y brew from Russian Mule Brewery. Upward Brewing crafts a bright juicy Breadwinner, IPA.

Wine lovers, try the organic Sparkling Rambling Rose, from Bashakill Vineyards. If you prefer a crisp, fresh cider, try the cider made from a distinctive blend of heirloom apples and pears at Seminary Hill. Or grab a signature cider from Stickett Inn.

Most locations feature daily tastings and tours to give you a close-up look at how the beverages are made!

Come explore the natural beauty of the Bashakill Wetlands at Bashakill Vineyards every weekend 12-6! We have rich red wines, crisp whites, local beers, cocktails, and live music! Try our farm-to-table delicacies served on premises featuring hand-crafted tacos and cheese boards.

Forthright: To be direct and honest, straightforward and outspoken. That’s the principle that inspires us. We’re a nano-cidery with big dreams and big ideas. Our specialty is Cyser, a hybrid of hard cider and mead (honey-wine). Lucky for us, New York state has some of the best apples and honey in the world. We love bold, delicious flavors and exciting, locally sourced ingredients. We know you’re down with that, we just want to be forthright about it. Come visit us in the nano-town of Youngsville, NY and see what we’re up to.

With roots in Callicoon that go back five generations, the Doetsch family runs Seminary Hill – an active, sixty-acre apple and pear orchard and burgeoning cider mill with a strong commitment to the sustainability of the land and the local community.

BANG BANG BAR @ The Stickett Inn is onsite and home to our signature Stickett Inn Cider and is a New York State Tasting Room, coffee bar, and taqueria. Proudly serving Intelligentsia Coffee and Pinks Tacos.
